

## A stay in all serenity

Dear Guests,

Since 2016, we have been committed to providing the best possible experience for each of our guests.

To ensure you have a pleasant stay, we have reinvented the experience at La Chambre du Marais, in line with the recommendations of the French Government and the competent authorities.

You will find below the sanitary measures implemented within our House.

---

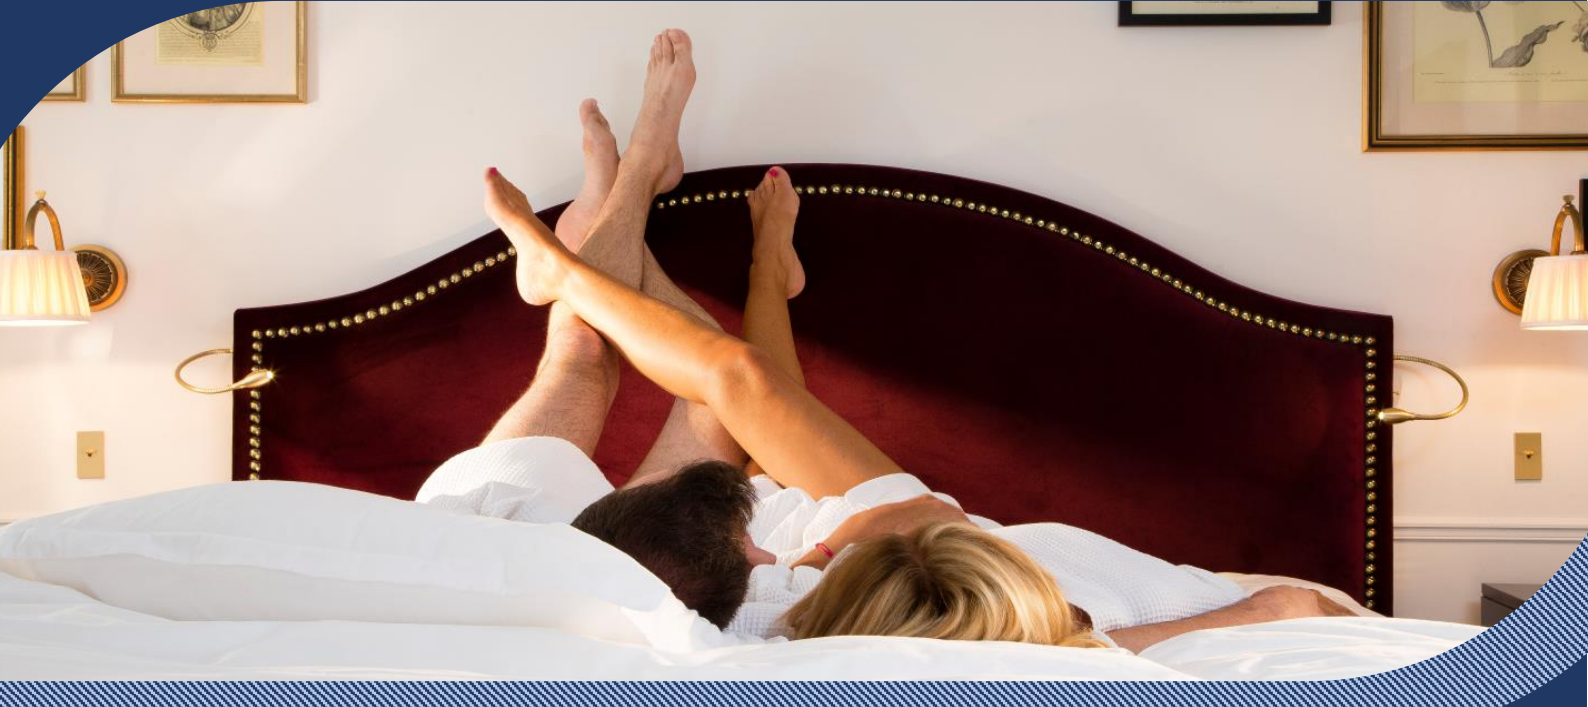

### Protect you & protect us...

In order to guarantee your health and that of our teams, the application of barrier gestures and social distancing is essential.

In accordance with the decree of July 20, 2020, anyone aged 11 and over must wear a mask for the general public (covering the nose and mouth) in enclosed public places, in addition to the application of barrier gestures.

We also inform you that the Prefecture of Police of Paris made compulsory, by decree of August 14, 2020, the wearing of the mask in the center of the city. ([More information on Paris.fr](#))

## Our preventive measures

- Each member of our team is trained in the rules and good practices of the sanitary protocol and is equipped with protection (mask, gel, etc.)
- Hydro-alcoholic gel is available in the lobby and in our rooms.
- The establishment's cleaning and disinfection protocols have been modified and strengthened with virucidal cleaning products.
- All dispensable items (pen, notepad, envelopes, hospitality products, etc.) have been removed from our rooms, but remain available at the Front Desk.
- The daily housekeeping service will be provided only at your request.
- Room service and laundry service are temporarily suspended.
- Breakfast will only be served in our lounge, every day between 7am and 12pm, and with respect for social distancing. *(Reservation required at the latest on the day of your arrival)*

Our entire team will do its utmost to make your stay comfortable and enjoyable.

We thank you for your understanding and we look forward to welcoming you soon to our House.
